Directions: The information requested on this form is essential for academic program review. Responses should be entered in the space below the blue question box, not inside it.

*Refer to the OIRA Academic Program Review (APR) report that includes information about Degree Designations and Titles, Credit Hour Production, Courses and Sections, Number of Undergraduate Students, Degrees, ACT & SAT scores, GPA, and Letter Grades.

1. Requirements

Describe the general requirements for each undergraduate major in your department and attach a typical program of study for each of the degree programs (majors) in your department.

2. Changes (Credit Hours)

Describe any anticipated changes in undergraduate semester credit hour production in your department for the next 3 years, and discuss the reasons for anticipated changes. (Refer to the Credit Hour Production table in the APR Report.)
3. Changes (Students)

Describe any anticipated changes in the number of undergraduate students in specific majors in your department for the next 3 years, and discuss the reasons for anticipated changes. (Refer to the APR Report for Enrollment, Degrees Awarded, and Course Level and Section.)

4. Curriculum Reviews

Describe the department’s process for regular reviews of the undergraduate curriculum. Summarize the primary actions taken as a result of undergraduate curriculum reviews since the last OAA program review.
